

Price Rates of the Nederlandse Mosselveiling, 1 May 2022 - 30 April 2023

With effect from 1 May 2022, the rates set out below apply to the services provided by Nederlandse Mosselveiling BV and hereby replace all previous statements regarding rates for mussel auctions.

1. Supply, delivery, purchase and sale, whether by auction or otherwise, of lots of Dutch on-bottom cultured mussels with financial settlement.

- 1.1 For the supply and sale, whether by auction or otherwise, of lots of Dutch on-bottom cultured mussels with financial settlement by Nederlandse Mosselveiling B.V., the Supplier of the mussels shall owe the Nederlandse Mosselveiling B.V. a fee of €0.40 per net Ton of mussels delivered plus 0.65% over the total sum of the lot.
- 1.2 For the delivery and purchase, whether by auction or otherwise, of lots of Dutch on-bottom cultured mussels with financial settlement by the Nederlandse Mosselveiling B.V., the Buyer of the mussels shall owe the Nederlandse Mosselveiling B.V. a fee of €0.40 per net Ton of mussels purchased plus 0.65% over the total sum of the lot offered.
- 1.3 For measuring and sampling the cargo and establishing the composition according to shell size, shell width, the number of mussels, meat weight, the tare percentage and the barnacles and slipper limpets on the mussels, the Supplier of the mussels shall owe the Nederlandse Mosselveiling B.V. a fee of €65 per sample.
- 1.4 If, on the Supplier's request, the cargo must be measured and sampled to establish the composition according to shell size, shell width, number of mussels, meat weight, tare percentage and barnacles and slipper limpets on the mussels between 17:00 on Friday and 6:00 on Monday or on the day prior to a public holiday between 17:00 and 6:00 on the next working day, the supplier shall owe the Nederlandse Mosselveiling B.V. an additional payment per sample of 100% of the amount referred to in 1.3.
- 1.5 If, on the Supplier's request, the cargo must not be measured and sampled to establish the composition according to shell size, shell width, number of mussels, meat weight, tare percentage and barnacles and slipper limpets on the mussels within the sampling times established and announced by the auctioneer, on working days between 17:00 and 6:00 hours, or in the period between 17:00 on Friday and 6:00 on Monday, or between 17:00 on the day prior to a public holiday and 6:00 on the next working day, the supplier shall owe the Nederlandse Mosselveiling B.V. an additional payment per sample of 100% of the amount referred to in 1.3.
- 1.6 If the cargo is brought to the auction building by truck, a sum of €17 per cargo shall be payable by the Supplier for the use of the weighbridge at Kotra Logistics. Only the Kotra Logistics weighbridge can be used, as the Nederlandse Mosselveiling B.V. has an account with this firm. See the protocol "Weighing instructions for auction lots supplied by truck".
- 1.7 If an administratively split lot is delivered with the same sample, the above rate for sampling and analysis shall be charged once. In addition, a fee of €15 for administrative processing will be charged.

2. Services for lots of Dutch on-bottom cultured mussels without auctioning and financial settlement.

- 2.1 For services arising from the lease agreement with regard to valuation, the Supplier of Dutch on-bottom cultured mussels shall owe the Nederlandse Mosselveiling B.V. a fee of €0.80 per net Ton of mussels delivered plus 1.3% over the total sum of the lot.
- 2.2 For measuring and sampling the cargo on working days between 6:00 a.m. and 17:00, the Supplier of the Dutch on-bottom cultured mussels shall owe the Nederlandse Mosselveiling B.V. a fee of €20 per sample.
- 2.3 To establish composition according to shell size, shell width, number of mussels, meat weight, tare percentage and barnacles and slipper limpets on the mussels on working days between 6:00 and 17:00, the Supplier shall pay the Nederlandse Mosselveiling B.V. a fee of €45 per sample.
- 2.4 If, on the Supplier's request, the cargo is measured and sampled to determine the composition according to shell size, shell width, number of mussels, meat weight, tare percentage and barnacles and slipper limpets on the mussels on working days between 17:00 and 6:00, or in the period between 17:00 on Friday and 6:00 on Monday, or between 17:00 hours on the day prior to a public holiday and 6:00 hours on the next working day, the Supplier shall owe the Nederlandse Mosselveiling B.V. an additional payment of 100% of the amount referred to in 2.2 and 2.3.
- 2.5 If an administratively split lot is delivered using the same sample, the above rate for sampling and analysis shall be charged once. In addition, a fee of €15 for administrative processing will be charged.

3. Supply, delivery, purchase and sale, whether by auction or otherwise, of lots of rope farmed or imported mussels with financial settlement.

- 3.1 For the supply and sale, whether by auction or otherwise, of lots of rope farmed or imported mussels with financial settlement by Nederlandse Mosselveiling B.V., the Supplier of the mussels shall owe the Nederlandse Mosselveiling B.V. a fee of €0.40 per net Ton of mussels delivered plus 0.65% over the total sum of the lot.
- 3.2 For measuring and sampling the cargo and establishing the composition according to shell size, shell width, the number of mussels, meat weight, the tare percentage and the barnacles and slipper limpets on the mussels, the Supplier of the mussels shall owe the Nederlandse Mosselveiling B.V. a fee of €65 per sample.
- 3.3 If, on the Supplier's request, the cargo must be measured and sampled to establish the composition according to shell size, shell width, number of mussels, meat weight, tare percentage and barnacles and slipper limpets on the mussels between 17:00 on Friday and 6:00 on Monday or on the day prior to a public holiday between 17:00 and 6:00 on the next working day, the supplier shall owe the Nederlandse Mosselveiling B.V. an additional payment per sample of 100% of the amount referred to in 1.3.

- 3.4 If, on the Supplier's request, the cargo must not be measured and sampled to establish the composition according to shell size, shell width, number of mussels, meat weight, tare percentage and barnacles and slipper limpets on the mussels within the sampling times established and announced by the auctioneer, on working days between 17:00 and 6:00 hours, or in the period between 17:00 on Friday and 6:00 on Monday, or between 17:00 on the day prior to a public holiday and 6:00 on the next working day, the supplier shall owe the Nederlandse Mosselveiling B.V. an additional payment per sample of 100% of the amount referred to in 1.3.
- 3.5 If the cargo is brought to the auction building by truck, a sum of €17 per cargo shall be payable by the Supplier for the use of the weighbridge at Kotra Logistics. Only the Kotra Logistics weighbridge can be used, as the Nederlandse Mosselveiling B.V. has an account with this firm. See the protocol "Weighing instructions for auction lots supplied by truck".
- 3.6 If an administratively split lot is delivered with the same sample, the above rate for sampling and analysis shall be charged once. In addition, a fee of €15 for administrative processing will be charged.

4. Providing import, service and test services for lots of mussels

- 4.1 For measuring and sampling the cargo on working days between 6:00 and 17:00, the Supplier of the lot shall pay the Nederlandse Mosselveiling B.V. a fee of €20 per sample.
- 4.2 For establishing the tare percentage of a lot delivered on working days between 6:00 and 17:00, the supplier of the mussels shall pay the Nederlandse Mosselveiling B.V. a fee of €10 per sample.
- 4.3 For establishing the composition in terms of shell size, shell width, number of mussels and the presence of barnacles and slipper limpets in a lot offered on working days between 6:00 and 17:00, the Supplier of the mussels shall pay the Nederlandse Mosselveiling B.V. a fee of €25 per sample.
- 4.4 For establishing the meat weight of a lot delivered on working days between 6:00 and 17:00, the Supplier of the mussels shall pay the Nederlandse Mosselveiling B.V. a fee of €10 per sample.
- 4.5 If, on the Supplier's request, the cargo is measured and sampled to determine the tare percentage, composition according to shell size, shell width, number of mussels and barnacles and slipper limpets on the mussels, and establish the meat weight of a lot on working days between 17:00 and 6:00, or in the period between 17:00 on Friday and 6:00 on Monday, or between 17:00 on the day prior to a public holiday and 6:00 on the next working day, the supplier shall owe the Nederlandse Mosselveiling B.V. an additional payment of 100% of the amounts referred to in 4.1, 4.2, 4.3 and 4.4.
- 4.6 No fees are payable for test sampling during the inspection days for the sector.

5. Import notifications for the purpose of the seeding and disposal permit

- 5.1 A fee is payable by the Notifier for the acceptance, processing and archiving of a report of an imported lot of shellfish under the Nature Conservation Act, and the seeding and disposal permit on behalf of the Ministry of LNV and the Province of Zeeland by Nederlandse Mosselveiling B.V.
- 5.2 If the report is made by the importer via the online portal made available by Nederlandse Mosselveiling B.V. on the secure section of the Auction Application, the fee is €10 per report.
- 5.3 If the notification is offered in another way as described under point 5.2, the fee is €20 per notification.
